

# Local Program Request Form

Most programs provided by Greenville Family Partnership are FREE to schools and the community thanks to the sale of Red Ribbon items. All other services and resources from our lending library are free but we must account for and evaluate all programs we provide. Therefore a program form must be completed and returned before any programs can be scheduled. Completed program forms may be returned via email to [virginia@gfpdrugfree.org](mailto:virginia@gfpdrugfree.org) or via fax to (864) 467-4102. To view a list of the program topics we provide, please refer to page two of this document.

If you have any questions regarding any of our programs or this form, please feel free to call us to discuss the details. **PLEASE BE AWARE THAT SUBMITTING THIS FORM IS NOT A CONFIRMATION!** You will be contacted via phone or email when a program has been scheduled.

**NOTE: PLEASE ALSO BE AWARE THAT WE DO NOT PROVIDE ASSEMBLIES – A GROUP OF 60 OR MORE PARTICIPANTS IN ONE SETTING QUALIFIES AS AN ASSEMBLY.**
